NOTICE OF RACE

INTRODUCTION

The Middle Harbour Yacht Club (MHYC), as the Organising Authority, invites eligible boats to compete in the Sydney Harbour Regatta 2019.

1. RULES

1.1 GENERAL RULES

The regatta will be governed by:

- the rules as defined in *The Racing Rules of Sailing*,
 - the Special Regulations of Australian Sailing (AS), and
 - the current IRC Rules, Parts A, B and C (if applicable),
- except as any of these are modified by this Notice of Race, Supplementary Notices of Race or the Sailing Instructions.

1.2 CHANGES TO THE RULES

1.2.1 The following Racing Rules of Sailing (RRS) will be amended:

- RRS 41: Is changed that, 'whilst racing a boat may retrieve data from any page of the Event or MHYC Websites, even if that page is not publicly available.'
- RRS 44.1: Is changed that 'only a one (1) turn penalty, including one (1) tack and one (1) gybe is required, *except* for infringements that occur within the "zone" of a rounding mark.'
- RRS 50.2 and 50.3: Fixed and retractable spinnaker poles and bowsprits are permitted for the purpose of setting asymmetrical spinnakers.
- RRS 51: Subject to NoR 1.2.2, a boat with movable or variable ballast (within the meaning of those terms in the Special Regulations) may move that ballast for the purpose of changing trim or stability.
- RRS 52: Is changed so that it 'does not apply to the adjustment and operation of sails or to the adjustment of movable appendages on any boat.' This Rule is changed to permit powered winches for boats over 14.0m LOA and as detailed in NoR 1.2.2.
- RRS 78.2: Where required, valid Rating / Class certificates shall be produced by the due date specified in this Notice of Race.
- RRS35, A4.2 and A5 Are amended so that boats still racing at the expiration of the race time limit will be scored points equal to the number of boats finishing within the time limit plus a score of 30% of the number of starter rounded to the nearest whole number, but no more points than the number of starters.

1.2.2 Boats shall request permission from the Race Committee to use movable and/or variable ballast for the purpose of increasing stability. Any such request must be accompanied by full details of the system involved, and any such system will be taken into account in establishing the boats handicap. Stored power may be used for the operation of movable ballast systems and for the adjustment and operation of sails or the adjustment of movable appendages. RRS 51 and 52 are changed to the extent as detailed by this paragraph.

1.3 CHANGES TO CLASS RULES

1.5.2 For protests involving an alleged breach of the rules of Part 2 of the RRS, an arbitration hearing may be held prior to a protest hearing. A boat that accepts fault at an arbitration hearing will be penalized by having its race score increased by 25% of the difference between the boat finishing score and the score for DSQ in its Class or Division, rounded to the nearest whole number. All other boats scores will remain the same. Once accepted, this decision is not subject to reopening or appeal. This alters RRS 63, 64.1 (a), 66 and Appendix A.
